Mistakes Most Marketers Make

Avoid These
Common SEO Pitfalls

→ **Chasing the algorithm-** Reacting to Google updates instead of focusing on user value.

→ **Spray-and-pray backlinks-** Links without authority partnerships don't last.

→ **One-and-done content-** Publishing without updating or repurposing = wasted effort.

Design for Humans

Optimize for Search

Write for users, not for bots.

Solve a real pain point.

THEN layer SEO

💡 **Pro Tip:** Use tools like **Hotjar** to see how users interact with your pages.

Cluster Content

Not Keywords

Think hub-and-spoke

One guide (hub) linked to related subtopics (spokes).

Build topical authority instead of chasing individual terms.

💡 **Pro Tip:** Tools like **SurferSEO** or **Cluster AI** can simplify content mapping.
